INVESTMENT THESIS

- Central location with sustained tenant demand from ministries, embassies and corporate head offices.
- Unit mix weighted to one- and two-bedroom residences — the most liquid segment for leasing and resale.
- Sixty percent of the price is paid in milestones during construction; forty percent at handover.
- All sales receipts held in a project escrow account and released against certified progress.

What to weigh before investing.

	RISK	HOW IT IS MANAGED
01	**Construction & delivery** Delays to milestones or handover.	Fixed-price main contract; milestone-linked payments; escrow release only against certified progress.
02	**Market** Prices and rents may fall as well as rise.	Central location and liquid unit mix; no guaranteed-return schemes offered.
03	**Leasing** Vacancy between tenancies.	Optional SIRAJ leasing and management service after handover.
04	**Regulatory** Changes to ownership, registration or fees.	Sales documentation reviewed by Omani counsel; registration with the Ministry of Housing and Urban Planning.
05	**Currency** Returns are in Omani rial.	The rial is pegged to the US dollar; investors in other currencies bear exchange risk.
